You've decided your field of study, now it's time to decide which type of degree to choose. The main difference being the Bachelor of Arts degree requires 10 credit hours of language (such as Spanish I & II), while the Bachelor of Science does not. The choice is yours!

All majors take the same 24-hour core curriculum in Criminal Justice, but then, working with your academic advisor, you can tailor the remaining 21 hours of your degree program around your specific interests and career objectives.

Program Requirements

General Education

All undergraduate degrees require completion of the Kansas Systemwide General Education (<https://catalog.fhsu.edu/general-education/>).

Courses identified with ^{GE} on this page may satisfy a general education requirement in addition to the identified degree requirement. Students who apply a degree requirement to satisfy a general education requirement will typically add an equal number of hours to the the university elective category. This flexibility may allow you to complete a minor or certificate within the 120 hour degree. Transfer students and students majoring in programs with approved exceptions (<https://www.fhsu.edu/general-education/documents/fhsu-gen-ed-transfer-exceptions-explainer1.pdf>) are especially encouraged to select these courses in completing General Education requirements to maximize the likelihood of completing the degree with 120 credit hours.
