

# MUSIC | BACHELOR OF MUSIC: MUSIC (PERFORMANCE)

The Bachelor of Music: Performance degree is a professional degree that prepares students for future careers in music, including performance and teaching. It is designed to take your skills to the next level in a four-year degree program through advanced musical training with outstanding faculty.

Students pursuing the B.M. Performance degree will declare a primary area of study and focus the majority of their coursework (68%) to this major, including lessons, ensembles, and supporting coursework in theory, history, analysis, and literature. Students entering this program should have a strong background in music and be prepared for intensive studies.

Music at FHSU is accredited by the National Association of Schools of Music (<https://nasm.arts-accredit.org/>).

Students should speak with their advisor if either situation applies to determine if the number will vary, and to ensure they enroll in a minimum of 45 upper-level hours.

Students entering within 1 year of high school graduation will take UNIV 101 Freshman Seminar and may apply that hour in the open elective category.

## Program Requirements

### General Education

All undergraduate degrees require completion of the Kansas Systemwide General Education (<https://catalog.fhsu.edu/general-education/>).

Courses identified with <sup>GE</sup> on this page may satisfy a general education requirement in addition to the identified degree requirement. Students who apply a degree requirement to satisfy a general education requirement will typically add an equal number of hours to the the university elective category. This flexibility may allow you to complete a minor or certificate within the 120 hour degree. Transfer students and students majoring in programs with approved exceptions (<https://www.fhsu.edu/general-education/documents/fhsu-gen-ed-transfer-exceptions-explainer1.pdf>) are especially encouraged to select these

courses in completing General Education requirements to maximize the likelihood of completing the degree with 120 credit hours.

### Recital Attendance and Senior Recital

The Bachelor of Music degree also requires attendance at recital every semester and performance in a Senior recital. Students will be expected to enroll in MUS 001 Recital Attendance, or MUS 002 Introduction to the Study of Music, or the senior recital course (MUS 030 - MUS 049) appropriate to the concentration every semester they attend FHSU. These are non-credit courses and do not count toward the 120 hours needed for graduate. There is no charged tuition.

### Ensembles & Applied Lessons

All students must complete 8 units of Ensemble credit. Typically students participate in one group each semester. Students also take lessons each semester. They take the lower division lessons for the first two years, and upper division lessons the second two years. Specific registrations are noted in the areas when required for the concentration

## Degree Requirements

Code	Title	Hours
------	-------	-------

### All bachelor degrees require:

GPA of 2.0 on FHSU courses & 2.0 on all coursework (Higher program requirements prevail over the 2.0 when set)

A minimum of 30 hours earned from FHSU with a grade of D, C, B, or A

Successful completion of an upper division Writing and Information Literacy course (Most majors contain a course designated)

A minimum of 45 hours of recognized upper division credit

A minimum of 120 hours of recognized college credit

## Degree Maps

**Academic Degree Maps** are term-by-term sample course plans that specify milestones, courses, and special requirements that are necessary for facilitating on-time completion. Degree Maps are *examples* and are not prescriptive. Individualized choices such as concentration options, transfer credits, optional minors, advisory programs (certificates), etc. can alter the recommended coursework. Course offerings are subject to change. Students should consult with their academic advisors for additional guidance on course planning.

To determine courses to take in the directed choices (often listed as Program Elective Course) and directed elective course blocks see the overview tab for courses. To locate approved courses in General Education areas (Undergraduate Programs) see the general education section (<https://catalog.fhsu.edu/general-education/>) of the catalog.

The undergraduate course maps typically advise the most efficient route for students to complete the general education requirements. Courses that are required in the major may be listed as fulfilling relevant general education requirements. This will result in more open elective course hours in some maps than is listed on the degree overview page.
