

INFORMATICS | BACHELOR OF ARTS: INFORMATION NETWORKING AND TELECOMMUNICATIONS (CYBERSECURITY)

The job opportunities in the cybersecurity industry are booming. According to CyberSeek.org (<http://cyberseek.org/>), as of April 2022, there are 714,548 job openings across the United States. This Cybersecurity program allows students to focus on becoming Cybersecurity Analysts, gaining an understanding of how to analyze today's cyber threats and how to react to them.

To accelerate your opportunities and further your career, pursue a Masters of Professional Studies: Cybersecurity (<https://www.fhsu.edu/academic/gradschl/MPS/Cyber-Security/index/>) through the Dept of Informatics.

Program Summary

Code	Title	Hours
	General Education	34
	Bachelor of Arts Language Requirement	10
	INT Core	18
	Concentration Core & Electives	36
	Open Electives ¹	22
Total Hours		120

¹ Open electives are the credit hours required to reach a minimum of 120 total hours and 45 upper division hours. The number listed assumes all courses are completed at FHSU as listed. This number may vary if students transfer courses, or have individual substitutions allowed.

Students should speak with their advisor if either situation applies to determine if the number will vary, and to ensure they enroll in a minimum of 45 upper division hours.

Students entering within 1 year of high school graduation will take UNIV 101 Freshman Seminar and may apply that hour in the open elective category.

Program Requirements

General Education

All undergraduate degrees require completion of the Kansas Systemwide General Education (<https://catalog.fhsu.edu/general-education/>).

Courses identified with ^{GE} on this page may satisfy a general education requirement in addition to the identified degree requirement. Students who apply a degree requirement to satisfy a general education requirement will typically add an equal number of hours to the university elective category. This flexibility may allow you to complete a minor or certificate within the 120 hour degree. Transfer students are especially encouraged to select these courses in completing General Education requirements to maximize the likelihood of completing the degree with 120 credit hours.
