

ARCHIVED CATALOGS

Academic policies, information and graduation requirements for Fort Hays State University (FHSU) degree programs and advisory programs are contained in this catalog. However, this information, including the policies, degree, program requirements and course descriptions are subject to change, does not constitute a contract. It should be used for informational purposes only and consultation with the appropriate advisor or university official .

Typically students should consult the most current year for policy information, and the year they enrolled for degree requirements. Students who meet the not continuously enrolled criteria will need to consult the year they resumed pursuit of the degree.
