Hours		14
Total Hours		60

FSUNIV 101 is required of students who enter FHSU as first time students within one year of HS graduation. If the course is not required an additional hour of open elective classwork will need to be completed to reach the minimum hours required.

^{GE}General Education course area. For the full list of course options see the General Education section (<https://catalog.fhsu.edu/general-education/>).

¹ Recommended General Education Course. This course must be taken within the major requirements or is a pre-requisite to a required course and students are recommended to apply to general education.

Students who elect to apply this course will need to take an equal number of additional open electives to meet the minimum hour requirement.

² Required General Education course. Students in this major are required to take this course as part of their General Education.

Academic Degree Maps are term-by-term sample course plans that specify milestones, courses, and special requirements that are necessary for facilitating on-time completion. Degree Maps are *examples* and are not prescriptive. Individualized choices such as concentration options, transfer credits, optional minors, advisory programs (certificates), etc. can alter the recommended coursework. Course offerings are subject to change. Students should consult with their academic advisors for additional guidance on course planning.

To determine courses to take in the directed choices (often listed as Program Elective Course) and directed elective course blocks see the overview tab for courses. To locate approved courses in General Education areas (Undergraduate Programs) see the general education section (<https://catalog.fhsu.edu/general-education/>) of the catalog.

The undergraduate course maps typically advise the most efficient route for students to complete the general education requirements. Courses that are required in the major may be listed as fulfilling relevant general education requirements. This will result in more open elective course hours in some maps than is listed on the degree overview page.
