

HHP | MASTER OF SCIENCE: HEALTH AND HUMAN PERFORMANCE (EXERCISE SCIENCE)

- Comprehensive Examination or equivalent assessment is required. (Master of Liberal Studies requires a Comprehensive Examination **and** Concentration Exam)
- Degree completion within 8 years.

¹ Refer to degree program for any additional requirements.

Take your education and training to the next level with Master of Science in Health and Human Performance, and focus your degree program with a concentration in Exercise Science, Sport Administration or Movement and Sport Studies. In-depth instruction and hands-on experience make this a strong program for professionals seeking to further develop their career potential.

The program consists of a 17-hour core curriculum common to all Master of Science graduate students, plus an additional 15-hour accumulated from selected electives. You can choose a thesis option in any of the concentration areas with six hours of thesis becoming part of the 15 hour requirement. All students are required to successfully complete a comprehensive examination prior to graduation.
