

# PSYCHOLOGY | BACHELOR OF SCIENCE: PSYCHOLOGY (DEVELOPMENTAL - CULTURAL)

This emphasis area connects the developmental process of an individual to their culture in order to identify how our social, emotional, and neurological development is shaped. Within this area, students will study how individuals grow and change across their life span and how culture plays a role in the developmental process.

Possible careers: Academia; researcher; early education specialist; geriatric specialist; life skills coach; school counseling; school psychologist.

The Psychology Department offers flexibility by allowing students to choose either the Bachelor of Arts or the Bachelor of Science route. Although the core coursework is the same for both, there are some slight differences.

Whether you pursue a BA or BS, you'll also need to complete FHSU's General Education requirements (<https://www.fhsu.edu/general-education/general-education/index/>) (34 hours).

Students also have the flexibility to complete the BA or BS degree in Psychology online via FHSU Online (<https://www.fhsu.edu/online/index/>). GetEducated.com (<http://GetEducated.com>) recently named the online undergraduate degree a "Best Buy."

## Program Summary

- We recommend the BS option for students who intend to go to graduate school.

Code	Title	Hours
	General Education	34
	BS Math and Science	13
	Psychology Major Requirements	38
	Open Electives <sup>1</sup>	35
	<b>Total Hours</b>	<b>120</b>

<sup>1</sup> Open electives are the credit hours required to reach a minimum of 120 total hours and 45 upper division hours. The number listed assumes all courses are completed at FHSU as listed. This number may vary if students transfer courses, or have individual substitutions allowed.

Students should speak with their advisor if either situation applies to determine if the number will vary, and to ensure they enroll in a minimum of 45 upper division hours.

Students entering within 1 year of high school graduation will take UNIV 101 Freshman Seminar and may apply that hour in the open elective category.

## Program Requirements

### General Education

All undergraduate degrees require completion of the Kansas Systemwide General Education (<https://catalog.fhsu.edu/general-education/>).

Courses identified with <sup>GE</sup> on this page may satisfy a general education requirement in addition to the identified degree requirement. Students who apply a degree requirement to satisfy a general education requirement will typically add an equal number of hours to the university elective category. This flexibility may allow you to complete a minor or certificate within the 120 hour degree. Transfer students are especially encouraged to select these courses in completing General Education requirements to maximize the likelihood of completing the degree with 120 credit hours.

Code	Title	Hours
	<b>General Education</b>	<b>34-35</b>

Effective in Fall 2025 the math pathway course (<https://catalog.fhsu.edu/general-education/gateway-courses/>) identified below is required for this degree.

The General Education Math Pathways course identified for this major is **MATH 250 Elements of Statistics**. All students pursuing this degree program will be required to complete this course or the corequisite support course. Students who place into a higher level math course may be able to satisfy this requirement; consult with your Academic Advisor for additional information.

Placement measures for **MATH 250 Elements of Statistics** include:

- Math ACT: 19 or higher OR
- Math SAT: 510 or higher OR
- ALEKS PPL: 30 or higher OR
- Accuplacer QAS: 255 or higher OR
- HS GPA and Course Grade: 3.00 cumulative GPA (unweighted) and C- or higher in Second Semester Algebra 2 or Integrated Math 3 OR
- Institutional Measure

Students who do not meet any of the placement measures listed above will need to register for the corequisite support course: **MATH 245 Elements of Statistics with Review**. Credit for the corequisite support course will satisfy any requirement for the pathway course listed above.

## BS Science and Mathematics Requirement

A candidate for the BS in Psychology must complete **20 hours of course work in Natural Science and/or Mathematics**. Counting the 7 hours required in the general education curriculum this means a student will need to complete 13 additional hours of Math or Sciences.

## Psychology Major Requirements

Code	Title	Hours
<b>Psychology Major Core</b>		
PSY 100	General Psychology	3
PSY 101	Psychology As a Discipline and Profession	3
PSY 201	The Science of Psychology	3
PSY 480	Applied Statistics in the Behavioral Sciences	4
PSY 498	Experimental Psychology Laboratory	4
PSY 668	Neuropsychology	3
<b>Breadth: Choose 1 course from each area</b>		
<b>Social Cognitive Content Area</b>		
PSY 340 or PSY 334	Social Psychology Introduction to Cognitive Psychology	3

or PSY 425	Personality	
<b>Developmental Content Area</b>		
PSY 400	Child and Developmental Psychology	3
or PSY 415	Adolescence	
or PSY 420	Psychology of Aging	
<b>Applied Mental Health Content Area</b>

or PSY 355	Drugs and Behavior	
<b>Psychology Emphasis: Developmental - Cultural</b>		
May not count a class used for the breadth requirement		
Select 9 credits of the following:		9
PSY 312	Introduction to School Psychology	
PSY 325	Psychology of Human Sexuality	
PSY 350	Current Issues in Psychology (Approved Topic)	
PSY 376	Apprenticeship in Psychology I (Approved Topic - 3 hours max)	
PSY 400	Child and Developmental Psychology	
PSY 412	Social and Emotional Development	
PSY 415	Adolescence	
PSY 420	Psychology of Aging <sup>3</sup>	
PSY 476	Apprenticeship in Psychology II	
<b>Total Hours</b>		<b>38</b>

<sup>1</sup> With a grade greater than or equal to D.

<sup>2</sup> With a grade greater than or equal to D.

<sup>3</sup> With a grade greater than or equal to D.

<sup>4</sup> If taken fall 2025 the class will be 1 credit hour, with 2 additional open electives needed to reach 120 hours.

## Degree Requirements

Code	Title	Hours
<b>All bachelor degrees require:</b>		
GPA of 2.0 on FHSU courses & 2.0 on all coursework (Higher program requirements prevail over the 2.0 when set)		
A minimum of 30 hours earned from FHSU with a grade of D, C, B, or A		
Successful completion of an upper division Writing and Information Literacy course (Most majors contain a course designated)		
A minimum of 45 hours of recognized upper division credit		
A minimum of 120 hours of recognized college credit

**Academic Degree Maps** are term-by-term sample course plans that specify milestones, courses, and special requirements that are necessary for facilitating on-time completion. Degree Maps are *examples* and are not prescriptive. Individualized choices such as concentration options, transfer credits, optional minors, advisory programs (certificates), etc. can alter the recommended coursework. Course offerings are subject

to change. Students should consult with their academic advisors for additional guidance on course planning.

To determine courses to take in the directed choices (often listed as Program Elective Course) and directed elective course blocks see the overview tab for courses. Open electives indicate the student is free to choose courses from any subject, but students should discuss with their advisor how many of these hours must be upper division. To locate approved courses in General Education areas (Undergraduate Programs) see the general education section (<https://catalog.fhsu.edu/general-education/>) of the catalog.

The undergraduate course maps typically advise the most efficient route for students to complete the general education requirements. Courses that are required in the major may be listed as fulfilling relevant general education requirements. This will result in more open elective course hours in some maps than is listed on the degree overview page.
