

AGRICULTURE | BACHELOR OF SCIENCE IN AGRICULTURE (AGRONOMY)

The Agronomy option prepares students for careers in the areas of crop and soil sciences. You will graduate with a comprehensive understanding of crop growth and development, as well as soil health and fertility. Enjoy courses in diverse topics such as soil conservation, weed science, agronomic crop insects and diseases, forages, horticulture and others. Accompany your agronomy classes with agricultural business and animal science to gain a broad, yet substantial knowledge that leads to careers like:

- Chemical and seed representative
- Crop consultant
- Elevator manager
- Farm manager
- Landscaper

Program Summary

Code	Title	Hours
General Education		34
Major Core		18
Concentration Core		31
Directed Electives		9
Cognates		18
Open Electives ¹		27
Total Hours		120

¹ Open electives are the credit hours required to reach a minimum of 120 total hours and 45 upper-level hours. The number listed assumes all courses are completed at FHSU as listed. This number may vary if students transfer courses, or have individual substitutions allowed.

Students should speak with their advisor if either situation applies to determine if the number will vary, and to ensure they enroll in a minimum of 45 upper-level hours.

Students entering within 1 year of high school graduation will take UNIV 101 Freshman Seminar and may apply that hour in the open elective category.

Program Requirements

General Education

All undergraduate degrees require completion of the Kansas Systemwide General Education (<https://catalog.fhsu.edu/general-education/>).

Courses identified with ^{GE} on this page may satisfy a general education requirement in addition to the identified degree requirement. Students who apply a degree requirement to satisfy a general education requirement will typically add an equal number of hours to the the university elective category. This flexibility may allow you to complete a minor or certificate within the 120 hour degree. Transfer students and students majoring in programs with approved exceptions (<https://www.fhsu.edu/general-education/documents/fhsu-gen-ed-transfer-exceptions-explainer1.pdf>) are especially encouraged to select these

courses in completing General Education requirements to maximize the likelihood of completing the degree with 120 credit hours.
