

# AGRICULTURE | BACHELOR OF SCIENCE IN AGRICULTURE (AGRONOMY BUSINESS)

A degree option in Agronomy Business prepares you for the high demands of a profession in agronomy with the business technical sales and marketing knowledge to succeed in business. Students have the flexibility to tailor their plans of study to meet their individual. This unique program was developed with feedback from global agri-business organizations and the experience of our Fort Hays State alumni in the field. The degree option in Agronomy Business distinguishes graduates and adds value to your degree in the way it brings together course knowledge and experience in cropping systems management with a solid foundation in agriculture business management.

With a degree option in Agronomy Business, you are prepared to pursue careers such as:

- Agricultural lending
- Commodity marketing
- Farm and agribusiness management
- Retail farm supply and marketing, including machinery and equipment
- Chemical and seed company management and sales
- Production agriculture
- Chemical and seed representative
- Crop consultant
- Elevator manager

## Program Summary

Code	Title	Hours
General Education		34
Major Core		18
Concentration Core		40
Directed Electives		6
Cognates		18
Open Electives <sup>1</sup>		30
Total Hours		120

<sup>1</sup> Open electives are the credit hours required to reach a minimum of 120 total hours and 45 upper-level hours. The number listed assumes all courses are completed at FHSU as listed. This number may vary if students transfer courses, or have individual substitutions allowed.

Students should speak with their advisor if either situation applies to determine if the number will vary, and to ensure they enroll in a minimum of 45 upper-level hours.

Students entering within 1 year of high school graduation will take UNIV 101 Freshman Seminar and may apply that hour in the open elective category.

## Program Requirements

### General Education

All undergraduate degrees require completion of the Kansas Systemwide General Education (<https://catalog.fhsu.edu/general-education/>).

Courses identified with <sup>GE</sup> on this page may satisfy a general education requirement in addition to the identified degree requirement. Students who apply a degree requirement to satisfy a general education requirement will typically add an equal number of hours to the the university elective category. This flexibility may allow you to complete a minor or certificate within the 120 hour degree. Transfer students and students majoring in programs with approved exceptions (<https://www.fhsu.edu/general-education/documents/fhsu-gen-ed-transfer-exceptions-explainer1.pdf>) are especially encouraged to select these courses in completing General Education requirements to maximize the likelihood of completing the degree with 120 credit hours.

Code	Title	Hours
<b>General Education</b>		<b>34-35</b>

Code	Title	Hours
<b>Major Core Courses</b>		

AGRI 111	Animal Science	3
AGRI 112	Agronomic Crop Science	3
AGRI 112L	Agronomic Crop Science Laboratory	1
AGRI 113	Introduction to Agribusiness	3
AGRI 211	Marketing Farm Products	3
AGRI 311	Farm Management	3
AGRI 475	Seminar	2

### Concentration Core Courses

AGRI 215	Soils	3
AGRI 305	Agronomic Crop Insects	3
AGRI 316	Internship in Agriculture	3
AGRI 320	Fund of Agricultural Commodity Marketing	3
AGRI 321	Agricultural Law and Policy	3
AGRI 340	Computer Applications for Agriculture	3
AGRI 410	Agricultural Finance	3
