

APPLIED TECHNOLOGY | ASSOCIATE OF APPLIED SCIENCE: TECHNOLOGY AND LEADERSHIP (MASSAGE THERAPY)

The Associate of Applied Science degree in Technology and Leadership (AAS) with an emphasis in Massage Therapy is a two-year program. By completing this program, students will be able to set and meet short-term education goals and can easily move on to achieving a four-year degree of their choice. Students gain critical-thinking, problem-solving, math and communication skills that are necessary in a Massage Therapy or related career.
